Students may review their exams on Tuesday, June 19, from 12:30–3:15 pm. Students with course failures will be contacted and informed by their counsellors on or before Exam Review. It may not be possible, however, to reach all students who may have failures prior to the day of Exam Review. Students should plan on attending Exam Review to ensure they know if they should register for remedial classes and supplemental exams.

Remedial Class and Supplemental Exam Registration

Students may register for remedial classes on Textbook Return Day (Wednesday, June 20). To register, students must first see their counsellor who will discuss their options and give them a registration slip they take to Ms. Caron at the Front Desk to register. Registration cost is \$10.00 per remedial class and may be paid in cash or by cheque made payable to St. Paul's High School. Please remember that students may only write supplemental exams with the Principal's permission. The schedule for remedial classes and supplemental exams will be designed based on student registration. In general, students will attend three remedial classes during a morning and/or afternoon, and will write a supplemental exam during a morning or afternoon according to the following dates. Specific class and exam dates will be published once remedial class registration is completed.
