

Protocol for Home Game Spectators

St. Paul's High School

Effective Date – September 24, 2021

This protocol will be reviewed on an ongoing basis in accordance with public health orders.

Indoor Games – At present, spectators are not permitted.

Outdoor Games – Spectators require proof of immunization to enter.

As per Manitoba Public Health orders, all attendees must present proof of immunization and photo ID to enter the field area. Details on the Manitoba Immunization Card can be found here:

<https://immunizationcard.manitoba.ca>

Photo ID and the following documents are considered valid proof of immunization in Manitoba:

- Manitoba Immunization Card
- National Defence Canada COVID-19 Vaccine Record / Card
- Canadian Public Health Association (CPHA) Travel Vaccination Record
- An official document issued by a Canadian province or territory containing information of a person's COVID-19 vaccination history

School officials will scan the QR code, or verify valid proof of immunization and will only allow entry following a valid result that matches the photo ID provided. School officials do not have access to your medical records and will be unable to resolve any disputes. We suggest downloading the Manitoba Immunization Card Verifier App (available in your device's app store) and practice scanning your own card prior to attending. For further assistance with your Immunization Card, please contact Manitoba Health and Seniors Care at ImmunizationCardSupport@gov.mb.ca.

In all cases photo ID is required to be validated against the valid proof of immunization provided.

The Province of Manitoba has provided a list of documents and samples that are considered valid forms of immunization issued by the provinces and territories which can be found at [Provincial Immunization Record Samples](#).

Children aged 11 and under are able to attend with an adult that has presented valid proof of immunization that matches their photo ID provided. Children aged 11 and under are not required to provide photo ID. There is a limit of two children aged 11 and under per adult if the children are not with their legal guardian.

Children aged 12 and older are required to present valid proof of immunization as indicated above. Photo ID is encouraged but is not required.

Additional Protocols for Outdoor Games

- a) Complete the [MB COVID-19 Screening Tool](#) before attending.
- b) Parking is available in the Student Lot off Bower Blvd. Field access is available through the gates on the South end of the Student Lot.
- c) All spectators are to sit in the bleachers or available picnic tables along the West sideline, in household groupings physically distanced, 2 metres or more, from other household groupings.
- d) There is to be no wandering the sidelines.
- e) Masks must be worn when entering the school to access the washroom facilities located near the entrance of Murray Hall.
- f) Please leave the field as soon as the game ends.
- g) Gatherings are not permitted in the stands or on the field following games.
- h) Pets are not permitted on the school grounds.
